WELCOME

Reds Race is a 5 mile road race and 3 mile walking course, open to anyone interested in either running or walking in this annual event. "Reds Race" was born out of the generosity of Red's Shoe Barn which introduced this race as the Red's Shoe Barn 5 Mile race 29 years ago.

Four years ago, Red's Shoe Barn turned the planning and execution of this race to five Strafford County non-profit organizations to transform this race into a fundraiser, benefiting the five non-profit organizations, with the intent to strengthen this community. This year, two new non-profit organizations have been added to join the partnership. Reds Race has also been accepted as one of seven races in the New Hampshire Grand Prix race series comprised of seven races throughout the state of New Hampshire.

BENEFIT

Proceeds from the race will support these Strafford County non-profit organizations:
